

The Big Six

simple security measures

1

Lock all gates - even if you're there for a short trip

2

Control access to your area

3

Lock hangars and aircraft (where you can)

4

Understand all security policies and procedures

5

Know what suspicious behaviour looks like. Question suspicious behaviour

6

Report it. It may be part of a bigger picture

Airport security
We all contribute

Be safe.
Feel safe.

See it. Hear it. Report it.
