Subject: Aviation Security National Inspectors Course
Aviation Security Training Centre (ASTC) Auckland, New Zealand
10 to 18 October 2018

Action required: Reply by 15 August 2018

Sir / Madam,

In accordance with ICAO's objective to support Member States in meeting their obligations for civil aviation security under the Chicago Convention, and to promote the strengthening of aviation security worldwide, I am pleased to inform you that ICAO's **Aviation Security (AVSEC) National Inspectors Course** is being offered at the ICAO ASTC Auckland, New Zealand from 10 October to 18 October 2018.

This seven-day course, which will be delivered in **English**, is designed to provide aviation security personnel with theoretical and practical knowledge of audits and inspections as part of a National Quality Control system. Participants who successfully complete this course will be prepared to plan, coordinate and conduct quality control measures utilizing Annex 17 and ICAO methodology in accordance with approved programmes.

Nominees should have already attended a specialized AVSEC training activity, such as the National Quality Control Programme Workshop and/or have regulatory experience prior to attending this course. In order to receive a certificate of successful completion, participants will be required to pass an end of course exam based on Annex 17, the *Aviation Security Manual* (Doc 8973-Restricted) and materials presented during the course.

A fee of **US \$700.00**, or the equivalent amount in local currency, will be charged to each selected participant to cover basic administration costs. Airfare, hotel and miscellaneous expenses are the responsibility of State. Participants are required to have their own medical insurance to cover costs, should any arise, as these expenses are not reimbursed by ICAO.

/ You are invited . . .

You are invited to nominate suitable candidates to attend this course using the enclosed nomination form (one per nominee). All nomination forms **must** be completed in full and authorized by the appropriate authority through official means. The closing date for nominations to reach this office is **15 August 2018** in order to enable sufficient time for processing and for selected participants to make travel arrangements, to include visa applications, as necessary.

Selections will be made based on qualifications and experience. The nominations from each State will be considered on a space-available basis. For this reason, it is important for the States to indicate the priority order of selection for each of their nominations and that all nominations are received on or by the deadline.

Candidates will be notified by ICAO of their status once selections have been made.

Please note that participants who present themselves at the course without having been properly nominated and accepted will not be admitted. Those who have been accepted but do not attend the entire course will not receive a certificate at the end of the training event. Should a State wish to withdraw a nominee from a course after selection, ICAO and the ASTC must be notified within a reasonable time-frame.

Accept, Sir/Madam, the assurances of my highest consideration.

Arun Mishra
Regional Director
