

## AVSEC QUALITY AND SECURITY POLICY

### OUR VISION:

To deliver world-class aviation security that is trusted, professional and responsive.

### OUR 'QUALITY FIRST' COMMITMENT IS TO:

- Ensure the security and safety of air travellers and aviation infrastructure by meeting or exceeding the expectations of our stakeholders by every practicable means.
- Ensure operational security measures and organisational processes comply with and/or exceed New Zealand's civil aviation security legislation and regulatory requirements.
- Empower, enable, and engage AvSec staff to deliver best practice security outcomes.
- Continually improve and evolve our performance to be favourably compared with the highest levels of aviation security practice applied elsewhere in the world.
- Build a culture and security capability that is risk-based, data and intelligence led to inform decision-making, pro-actively manage risk and identify opportunities and improvements.

### AVSEC'S 'QUALITY FIRST' COMMITMENT WILL BE ENABLED THROUGH:

A stakeholder focus	Connected leadership
Our people	A Values driven culture
Continual improvement	A safe and healthy workplace
A compliance focus	Effective engagement
